

Vehicle and Parking Policy

The Department of Campus Safety has the authority and responsibility to enforce the Vehicle and Parking Policy of Union Adventist University as well as control all traffic on campus. The operation of a motorized vehicle on Union Adventist University property is not a right, but a privilege granted to students, faculty, staff, visitors and any guests. In order to promote the overall safety and efficient operation of the campus, the university has established the following policy and procedures relating to motorized vehicles, traffic, parking regulations, enforcement, and penalties for violations.

All individuals that register a vehicle with the Department of Campus Safety or operate a vehicle on Union Adventist University property, must agree to the following:

- Obey all university rules, policies, and regulations.
- Maintain licenses, registration and insurance for vehicles as required by the law.
- Pay all fines issued for any violations of this policy.
- The individual that registers a vehicle with the Department of Campus Safety will be held responsible for any fines or citations pertaining to that vehicle.
- Defend, waive, release, and hold harmless Union Adventist University and its students and employees from all claims or damage to property by reason of operation of a vehicle on university property.
- Union Adventist University does not assume the responsibility for loss due to vandalism, accident, damage, or theft while the vehicle is on university property.

Scope

This policy applies to all students, faculty, staff, visitors, and guests of Union Adventist University.

Regulations

1.1 Designations:

For the purposes of this and any other related policies the following designations will be used.

All-terrain Vehicle (ATV): Any motorized vehicle designed for off-road use which is equipped with three or more low pressure tires and with a seat to be straddled by the operator and with handlebars for steering control.

Bicycle: A vehicle composed of two wheels held in a frame, one behind the other, propelled by pedals and steered with handlebars attached to the front wheel.

Dirt Bike: A lightweight motorcycle designed for operation on unpaved surfaces.

Employee: An individual that works for Union Adventist University with a faculty or staff appointment on a full-time, part-time, or temporary basis, as long as this employment is the individual's primary purpose.

Faculty: The teaching staff of Union Adventist University.

Guest: A person (other than students and employees) who is invited to visit Union Adventist University or take part in a function or event organized by Union Adventist University.

Moped: A motor driven cycle equipped with two or three wheels, with or without foot pedals, and an independent power source providing a maximum of two brake horsepower and a combustion engine with a maximum displacement of 50 cubic centimeters (50 cc).

Motorcycle: A two-wheeled vehicle that is powered by a motor and has no pedals.

Motorized Cart: Any motor vehicle having no less than three wheels and an unladen weight of 1,300 pounds or less and cannot operate at more than 20 miles per hour.

Motorized Utility Vehicle: A four- or six-wheeled vehicle powered by a motor; with seating for a driver and other passengers; designed to travel at speeds not to exceed twenty (20) miles per hour. Golf Carts are included in this definition.

Motor Vehicle: A vehicle that is powered by an electric and/or internal combustion engine.

Motorized Wheelchair: A self-propelled wheelchair that is used by a physically disabled person for mobility.

Staff: All non-faculty employees of Union Adventist University.

Student: Anyone, other than an employee, who is registered at or attends Union Adventist University on either a part-time or full-time basis. Resident students live in the residence halls on campus. A community or village student lives off campus. A distance or online student attends Union Adventist University online

or through distance learning and a student employee is considered a student when issued a parking permit.

Traffic: Vehicles, bicycles, and pedestrians which move on or through the Union Adventist University campus or property. This includes any devices which can be operated by a pedestrian such as: skateboards, personal transporters, scooters, hoverboards, segways, punchboards, roller-skates, and roller-blades.

Trailer: An unpowered vehicle that is towed by another vehicle.

Vehicle: Anything used for transporting people or goods.

Visitor: Any person (other than students and employees) who occasionally and voluntarily visits the campus for business, conferences, pleasure or scholarly work. Former students and former employees are also considered visitors.

1.2 Vehicle Registration:

All vehicles parked or driven on campus are required to be registered with the Department of Campus Safety. This includes any motor vehicle, trailer, motorcycle, moped, or dirt bike. All bicycles must also be registered with the Department of Campus Safety.

Vehicle registration will be completed online using the registration form found on the student or employees Portal account under the Miscellaneous tab. Failure to register a vehicle within the period specified for employees, students, visitors, or guests may result in a citation.

When selecting the type of parking permit on the registration form please use the following as a guide:

Yellow	Women's Hall
Green	Men's Hall
Blue	Village/Off Campus
Red	Faculty/Staff
Light Blue	Cooper Place

1.3 Faculty and Staff Vehicle Registration:

Faculty and staff are not required to pay a registration fee for registering any vehicles. **Faculty and staff must register vehicles within fourteen days of the beginning of their employment or new vehicles are purchased, obtained and intended for use on the Union Adventist University campus.**

Faculty and staff vehicle registrations are valid for the life of the vehicle provided the registration information remains current. Any changes in

registration information must be reported to the Department of Campus Safety within fourteen days. Unreported changes in registration and/or vehicle information results in the immediate expiration of current registration and parking privileges.

Faculty and staff are limited to registering only three vehicles, including any trailers, at a time unless special permission is obtained from the Department of Campus Safety.

1.4 **Student Vehicle Registration:**

Students are not required to pay a registration fee for registering any vehicles.

Students must register vehicles within seven days of arriving on campus.

Student vehicle registrations are valid for the life of the vehicle provided the registration information remains current. **Any changes in registration information must be reported to the Department of Campus Safety within seven days.** Unreported changes in registration and/or vehicle information results in the immediate expiration of current registration and parking privileges.

Students are limited to registering only two vehicles at a time unless special permission is obtained from the Department of Campus Safety.

1.5 **Visitor and Guest Vehicle Registration and Parking Permits:**

Temporary (non-overnight) visitors and guests are not required to register their vehicle, but are encouraged to obtain a visitor or guest parking permit from the Ortner Center front desk if parking for more than one hour.

There is no cost for a visitor or guest parking permit.

Guests of the Ortner Center will obtain a temporary parking permit at the front desk. Ortner Center guest parking is located in the visitor's parking lot to the east of the Ortner Center and south of the Everett Dick Administration Building.

Visitors traveling with an RV that wish to park on campus for camp meeting or any other event must contact Guest Services in the Ortner Center. Registrations and payments for RV camping are coordinated and authorized through the Guest Services. Once authorized, Guest Services will communicate the specific location in which the RV should be parked. RV parking on campus is very limited.

1.6 **Bicycle, Dirt Bike, Motorized Cart, All-Terrain Vehicle, and Utility Cart Registration:**

All students and employees must register their bicycle if it is to be parked on Union Adventist University property.

Bicycle registration can be completed in the office of the Department of Campus Safety. The cost for registering a bicycle is free and the registration is good for the life of the bicycle.

Any bicycles that are not registered may be presumed to be abandoned and removed from campus.

Motorized Carts, All-Terrain Vehicles, Motorized Utility Carts, and non-street legal dirt bikes are not permitted to be used or stored on the campus of Union Adventist University.

Motorized Wheelchairs are permitted in accordance with State and Federal Law and are not required to be registered by the owner.

1.7 **Trailer Registration:**

Students, faculty, staff and approved visitors and guest may register, park, and store trailers on Union Adventist University property in designated areas **only with special permission from the Department of Campus Safety.**

Trailer storage is on a first come first serve basis and the Department of Campus Safety reserves the right to refuse trailer parking at its discretion.

Trailer registration fees are \$25.00 per semester, \$50.00 per school year or \$75.00 per calendar year for trailers under 21 feet in length. Trailers 21 feet to 31 feet in length are \$35.00 per semester, \$70.00 per school year or \$95.00 per calendar year.

Trailers 31 feet and above in length are not permitted to be stored on the campus of Union Adventist University.

Union Adventist University is not responsible for damage to trailers or other vehicles stored on its property.

Fees for trailer storage are paid through the cashier on the 5th floor of the Everett Dick Administration Building.

1.8 **Parking at Union Adventist University:**

Union Adventist University provides parking within walking distance of all campus buildings as a courtesy and privilege to its students, faculty, staff, visitors and guests. It should be understood that not everyone who desires so will find a parking space close to their destination building.

All vehicles are to be parked within designated striped parking spaces only.

Union Adventist University assumes no liability or responsibility for damage or loss to a vehicle parked on its property. **All individuals are to observe posted signs and regulations with regard to parking and traffic.**

The speed limit on campus is 15 miles per hour.

License plates and parking permits must be visible at all times.

Union Adventist University has a limited number of parking spaces and parking is on a first come first serve basis at all times in designated parking areas.

1.9 **Parking Permits:**

Once a vehicle has been registered a parking permit will be issued for that vehicle.

Parking permits are not transferable from one individual to another.

It is the permit holder's responsibility to make sure that their vehicle's information is correct in their Portal account.

Parking permits are approved, denied, suspended, or revoked at the discretion of the Department of Campus Safety.

Parking on the campus of Union Adventist University is considered a privilege offered by the University except for designated handicap parking areas in accordance with State and Federal law.

Parking permits are issued in the form of hanging tags that are to be displayed from the rearview mirror facing the front of the vehicle.

Temporary parking permits are to be displayed on the front dashboard.
Parking permits are issued to only registered vehicles and must be displayed only in the vehicle that the permit is issued to.

Lost parking permits must be reported to the Department of Campus Safety immediately for revocation and re-issue.

Damaged or severely faded parking permits must be turned into the Department of Campus Safety for replacement.

Parking permits are valid for only specified or designated parking areas associated with that permit. Upon issuance of the permit designated parking areas valid to that permit will be explained to the permit holder. Any questions regarding parking should be directed to the Department of Campus Safety.

1.10 **Parking Zones:**

Visitor/Guest: Designated parking spaces near the Ortner Center, Prescott Hall, and the Krueger Center.

Faculty/Staff: Designated parking areas are east of the Don Love Building, north of the Krueger Center (North Outer Lower Lot), north of the Larson Lifestyle Center (gravel lot), and the University View Church lot.

Student – Rees Hall Residents: Designated parking areas are Krueger Center North Lot and along Bancroft Street north of Rees Hall.

Student – Cooper Apartments: Designated parking area north of the Cooper Apartment building.

Student – Village: Designated parking areas are east of the Don Love Building, north of the Krueger Center (East side of large parking lot and smaller lot), and the University View Church lot.

Student – Prescott and Culver Hall Residents: Designated parking area behind Prescott Hall.

Advent Source Employee: Designated parking areas west and north of the Advent Source building.

Larson Lifestyle Center Members/Guests: Designated parking areas south of the Larson Lifestyle Center and north along the sidewalk northwest of the building.

IRR Guest Lecture/PA Faculty: Designated parking areas behind Prescott Hall.

Motorcycle Parking: Designated parking area immediately behind Prescott Hall on the Motorcycle parking pad.

1.11 **Street Parking:**

Some individuals may prefer to park their vehicle on public streets in close proximity to the campus where such parking is available. During the winter, parking bans due to snow removal are announced via radio, TV, or newspaper.

Vehicles left on public streets during parking bans may be subject to ticketing and/or towing by the city.

1.12 **University View Church Parking:**

The diagonal parking spaces along Prescott Street on the north side of the University View Church, the parking lots adjacent to the east entrance on the east side of the building, on the south side of the building, and adjacent to the west entrance on the west side of the building **may be used by students and staff**

for parking during the day. The drive adjacent to the main entrance is designated for church business only. For those individuals utilizing parking spaces adjacent to or located on church property during the week, it is requested that you move your vehicle on the weekend to accommodate Sabbath (Saturday) morning church patrons. Failure to do so may result in enforcement action by the Department of Campus Safety.

- 1.13 **Overnight Parking:** Overnight parking on campus is allowed only in designated areas with permission. Vehicles are considered to be parked overnight if they are on campus between the hours of 12:00 a.m. and 6:00 a.m. In order to park on campus during overnight parking hours, you must have a campus resident or storage permit status.

Currently, **only on-campus resident student permits and storage permits for trailers and other vehicles stored with special permission have overnight parking status**, all other permits are non-resident/non-storage parking permits and do not qualify for overnight parking.

- 1.14 **Summer Parking:**

During the period from August 1st to June 1st, regular parking zone rules and regulations apply. During the summer months of June and July parking becomes open for students, faculty, and staff. This means that students, faculty, and staff may park in any residence hall or faculty/staff parking zone which includes: Prescott Hall Residence lot, Don Love Building lot, Krueger Center north upper and lower lots, and the University View Church lot.

Overnight parking remains limited to designated residence hall parking zones and areas year-round. **Visitors and guest lots remain available only to visitors and guests year-round.** All other parking regulations apply as outlined in this policy.

- 1.15 **Temporary Parking Bans and Restrictions:**

There may be occasions due to snow removal, repaving, re-striping, construction, emergency situations, or other necessary reasons where **parking in certain areas or zones may be limited or restricted for a designated period of time.** During those occasions parking permits for those areas with bans or restrictions are considered temporarily suspended and violations may result in enforcement action for parking in unauthorized zones. Whenever possible, notices will be released before any temporary parking bans or restrictions are put in place which may require the temporary suspension of certain parking privileges.

Barriers, barricades, barrier-tape, cones, fences, posts, or posted signs may be used to designate restricted or reserved parking spaces or areas, at any point as necessary, for the safety, convenience, or efficiency of traffic control. The removal of or tampering with barriers, barricades, barrier-tape, cones, fences, posts, or posted signs without the permission of the Department of Campus Safety is prohibited.

Union Adventist University and the Department of Campus Safety reserve the right to temporarily close, restrict, or modify any parking space, lot, zone, drive,

or other roadway, on university property as necessary. When possible, advance notice will be provided. Any vehicle entering a barricaded area may be cited or towed without warning if needed.

1.16 **Parking and Traffic Enforcement:**

The Department of Campus Safety is authorized to enforce all parking and traffic related laws and rules on the campus and in the areas principally controlled or administered by Union Adventist University. Enforcement actions may be issued in the form of verbal or written warnings, citations and fines, vehicle immobilization, and vehicle towing and impoundment.

The speed limit on campus is 15 MPH. Pedestrians have the right of way over vehicles when crossing roadways within or at marked crosswalks, at unmarked crosswalks, at road intersections, and within parking lots. Bicycles are to obey all vehicle traffic laws while operating on roadways and are required to yield to pedestrian traffic within or at marked crosswalks, at unmarked crosswalks, at road intersection, within parking lots, and on sidewalks. Bicycles must be used responsibly and safely.

1.17 **Parking and Traffic Fines:**

Student fines will be imposed against the student's Union Adventist University student account. Faculty and staff fines will be withheld from the employee's payroll check during the next payroll cycle. All **other fines must be paid within thirty (30) days to avoid further penalty.** Fines may be paid with check, cash, money order, credit, or debit card. All fines paid with coins must be rolled. A \$25.00 fee will be charged for all returned checks. Other transaction fees may apply as well.

Fines may be paid in person to the Union Adventist University Cashier on the 5th floor of the Everett Dick Administration Building during normal business hours or by mail to:

Union Adventist University – Cashier/Accounting Department
3800 S. 48th Street, Lincoln, NE 68506.

All fines collected from citations are allocated to programs that encourage a safe and secure campus community.

Campus Safety Officers are not authorized or expected to find, read or follow notes of explanation, or to accept money or payment for fines.

 Operating Unauthorized Vehicle/Device on Campus \$50.00
 Unauthorized Use of Golf Carts \$100.00

1.19 **Additional Penalties:**

Vehicles or operators with four (4) citations for a specific violation or eight (8) overall citations in a school year (including summers) may be subject to immobilization or impoundment of the vehicle. Vehicles or operators with four (4) or more outstanding parking violations may be subject to immobilization or impoundment of the vehicle at owner's expense.

Unpaid fines on student accounts may result in a financial hold on the account which may prevent registering or receiving transcripts or diplomas. Unpaid fines may be turned over to an outside collection agency at the University's discretion.

1.20 **Appeals:**

Appeals on specific tickets may be made directly to the Director of Campus Safety **within fourteen-days (14) days of the citation issue date. Fines must still be paid while awaiting appeal.**

Appeals will only be granted under extraordinary circumstances and if it is demonstrated that no violations of this policy have taken place. Appeals will not be granted based on other reasons such as, but not limited to: Forgetfulness, parking only for a short time, miscommunication, failure to display parking permits, not seeing a sign, lost citations, being late, being unaware of Union Adventist University vehicle, parking, and traffic policies, having already received several citations, having difficulty paying fines, having to walk distances from parking areas, and having to carry items from parking areas. Appeals submitted on these grounds will automatically be denied.

1.21 **Loading and Unloading Zones:**

The parking loop just east of Rees Hall is designated as a temporary loading and unloading zone for Rees Hall Residents to use **for move-in and move-out only.**

During move-in and move-out times students should package all belongings before parking in the loop to minimize parking time. Residents of Prescott and Culver Halls may use the visitor parking and loop in front of Prescott for loading and unloading during move-in and move-out periods only. **During the school year loading and unloading is restricted unless prior approval is given from Department of Campus Safety.**

1.22 **Derelict or Disabled Vehicles:**

Vehicles not in operating condition are considered derelict or disabled. Derelict or disabled vehicles not having a current state issued license plate or which appear to be abandoned, **may be towed at owner's expense.**

Non-operating vehicles are not allowed to be stored on the campus of Union Adventist University for periods in excess of (72 hours) without special permission from the Department of Campus Safety, regardless of if they have a current license plate or parking permit. **Vehicles in violation may be subject to tow if the owner or operator refuses to remove the vehicle.**

1.23 **Vehicle Immobilization:**

Vehicles or operators with four (4) or more citations in the current semester or with eight (8) or more citations or violations during the academic year may be subject to immobilization using a vehicle immobilization device for each subsequent violation. Summers are included in the previous academic year. A vehicle immobilization device or boot is a mechanical device which is attached to the wheel assembly of a vehicle and prevents the vehicle from being moved or operated. A notice will be placed on the window of the driver's door to indicate the device has been applied. **There is a \$25 immobilization device removal fee.** An immobilization device will not be removed until the operator or registered owner:

1. Registers the vehicle with the Department of Campus Safety (See section on Vehicle Registration).

2. Agrees to abide by all vehicle and parking policies of Union Adventist University.

3. Agrees to pay all previous fines.

Vehicles that have been immobilized may be towed or impounded if the operator or registered owner does not contact the Department of Campus Safety within forty-eight (48) hours to arrange payment of fines and removal of the device.

Towing will be at owner's expense.

Do not attempt to remove an immobilization device from a vehicle. If an immobilization device is removed or attempted to be removed additional penalties may be imposed including additional costs for damage to or loss of the immobilization device. **There is a \$100 fee for attempted or actual unauthorized removal of an immobilization device plus the cost of any damages to the device or device replacement.**

In addition, anyone who causes damage to the immobilization device may be subject to arrest and prosecution through criminal court for property damage and/or civil court for damages.

1.24 **Vehicle Towing and Impoundment:**

Union Adventist University reserves the right to tow and impound vehicles at the owner's expense whenever it is reasonably necessary to do so for the following reasons: 1) In order to safeguard the lives and property of those present on the University campus. 2) To enforce parking and traffic rules and regulations. 3) For violations which include, abandoned vehicles, immobilized vehicles, occupying multiple parking spaces, blocking fire access or hydrants, handicap parking violations, excess parking violations, unregistered or unlicensed vehicles parked on campus, blocking drive or thru access, failure to park in designated parking area, excessive outstanding fines or citations (see above), and other reasons deemed necessary or appropriate by the Department of Campus Safety for the safety and security of the University campus.

Holds may also be placed on vehicles with the tow company for registered owners. Proof of registration, insurance, ownership, rental agreements, and other documentation may be required to obtain the vehicle from the tow company. **Once the tow company arrives and begins the towing process or takes possession of the vehicle, the vehicle can only be released by the tow company in accordance with their policies and procedures.**

The Department of Campus Safety has the authority to conduct inventory searches of vehicles prior to releasing it to the tow company to inventory items and limit potential liability to the University for lost or damaged items by the tow company. Acceptance of the vehicle and parking policy by the owner/operator/permit holder is authorization and consent to inventory vehicle searches. Items of an illegal nature observed, viewed, or located by Campus Safety Officers will be reported to the Lincoln Police Department.

The Department of Campus Safety is not required to inform or contact the vehicle owner or operator prior to the tow but will make every reasonable effort to contact and inform the owner or operator after the tow and inform them of the location of the vehicle and the towing company's information.

1.25 **Vehicle Anti-Theft Devices/Alarms:**

Vehicle Anti-Theft Devices/Alarms must reset automatically within five minutes of activation. Non- resetting vehicle alarms create a noise disturbance on campus which may result in immediate towing. Activated alarms that interfere with classes, office business, or facility events are subject to immediate towing. In residential areas, during the hours of darkness, a third resetting false alarm during the same night may result in the vehicle being towed. The Department of Campus Safety will make every reasonable effort to contact the owner of the vehicle prior to towing.

1.26 **Skateboards, Transporters, Scooters, etc.:**

The use of skateboards, personal transporters, scooters, hoverboards, Segway's, push boards, or any other similar type of devices are not allowed to be used or

operated on the Union Adventist University campus. Violations may result in **fines for operating an unauthorized device on campus property and potential ejection from Union Adventist University property** as necessary in order to protect the health and safety of other individuals present on campus. Additional questions regarding these devices should be referred to the Director of Campus Safety.
